

SOUTH MUST SAVE IDEALS JEOPARDIZED BY BIG WAR

Should Preserve Civic Progress Halted by European Conflict, Says Mrs. Glen.

HAS ITSELF KNOWN CONFLICT
President of National Association of Charities and Corrections Believes South Is Best Fitted to Redeem Europe's Fallen Standards.

The peculiar responsibility of the South in the matter of picking up the standards of civic progress wrested from European countries in the terrible conflict they are now undergoing, was the theme of a stirring address made yesterday to the Women's Association of St. Paul's Parish by Mrs. J. M. Glen, president of the National Association of Charities and Corrections.

Mrs. Glen pointed out that all inspiration for the conservation of the human family had come from Europe—the fight against infant mortality, in which the English Parliament regulated the practice of midwifery; the improved housing practices as followed in the great cooperative schemes of Germany; the educational progress gained by the separation of children in the classrooms to the advantage of the handicapped as well as to the above-the-average child.

All these and more coming under the heads of preventive, remedial, reformatory and constructive social work, Mrs. Glen said, had been accepted by America. And if with heavy feeling she said we are in Europe's debt, and must stand our guard and carry out the work started there.

NEED CONSTRUCTIVE PROGRAM FOR BALTIMORE MEETING
In preparation for the meeting of the National Association of Charities and Corrections to be held in Baltimore in May, she said, a constructive program must be arranged to give the people of the United States something valuable to follow. Her special call to the South, she said, was because there we are in Europe's debt, and must stand our guard and carry out the work started there.

Her advice on the accomplishment of civic work, she said, was to concentrate on the conservation of the family life in the community. By "charity" work, Mrs. Glen explained, she meant constructive social service.

She pointed out the necessity of the South in this regard, such as getting effective legislation and then, urging the enforcement, and then getting it to the personal equation showing that the individual must not shirk the personal duty of doing his work. As an example, she pointed to the effort made last week in Tidewater to draw back into society those women who had been outside the law.

The meeting was largely attended. Mrs. Sally Nelson, chairman of the new president of the Women's Association, presided.

COHN DROPS FIFTY MEN FROM EMERGENCY PAYROLL
Calder Will Have to Discharge 100 More for Lack of Work in Parks.

Superintendent Henry Cohn announced yesterday that he had been forced to drop fifty men from the payroll of the Street Cleaning Department, and that he expected by Saturday night to discharge more. The appropriation of \$20,000 allotted to his department from the general appropriation of \$125,000 for the relief of the unemployed, has been nearly consumed, and there are no other funds by which he can employ the extra men given to the Street Cleaning Department.

Mr. Cohn regretted that there would be nothing to show for the work of the additional number of men, in the way of permanent improvement. The men were employed on the street force proper, and were used in cleaning the streets. He pointed out that the streets will be no cleaner next week than they were before the appropriation was made by the City Council.

Superintendent Calder, in charge of the parks, has expended approximately \$2,000 out of the appropriation of \$25,000 allotted to his department, and he, too, will have to lay off about 100 men, not because his fund has been exhausted, but because the work has been completed and there is no more work to do.

It is suggested that the unused portion of the fund appropriated for work in the parks be transferred to the Street Cleaning Department, in which the work is still being done.

Extra men are still being employed in the cemeteries, in the city engineer's department, and in the other departments of the city.

IMPRESSIVE SERVICES MARK ADVENT OF LENT
Bishop Gibson Will Open Series of Half-Hour Meetings at St. Paul's.

Impressive Ash Wednesday services in the Catholic and Episcopal churches marked the beginning of the Lenten season yesterday. Lent is the season of purification and penance preceding Easter, which falls this year on April 4.

Practically all denominations observe the season to some extent.

At St. Paul's, Bishop Gibson, D. D., bishop of the Episcopal diocese of Virginia, will open the series of half-hour Lenten services today at 8 p. m. in the Episcopal Church. The services will be held from 1 to 1:30 o'clock in the afternoon of each week except Saturday during Lent, under the auspices of the Richmond Assembly of the Brotherhood of St. Andrew. Bishop Gibson will also preach to-morrow afternoon.

On Monday Rev. W. A. Rollins of the seminary will be the speaker. Rev. H. H. Covington, of Norfolk, will speak on Tuesday, Wednesday and Thursday. On Friday, February 26, Rev. Hubert Carleton, prominent layman and speaker, and an official of the Brotherhood of St. Andrew, will make the address.

The Male Choral Society of Richmond will assist in the singing at the daily Lenten services at St. Paul's. The singing at the midday services will be directed by Professor P. H. Harker, director of the Choral Society and organist at St. Paul's Church.

CANADA SENDS PEACE MESSAGE TO VIRGINIA

Sir Edmund Walker, Chairman of Peace Centenary Association, Telegraphs Stuart.

BRITISH CONSUL PAYS CALL
A. P. Wilmer Presents to Governor Compliments of United Kingdom of Great Britain and Ireland on Centenary of Treaty of Ghent.

Felicitations appropriate to the observance of the Treaty of Ghent holiday were exchanged yesterday between Sir Edmund Walker, chairman of the Canadian Peace Centenary Association, whose headquarters office is in Ottawa, Canada, and Governor Stuart.

Later in the day A. P. Wilmer, the British vice-consul here, made a formal call on the Governor, presenting the "Compliments of the United Kingdom of Great Britain and Ireland to the Governor of the Commonwealth of Virginia," at the behest of the British Foreign Office.

The congratulatory communication addressed to Governor Stuart by Sir Edmund Walker was in the form of a night letter by telegraph, which was received early yesterday morning. It reads:

"Ottawa, Ont., February 16, 1915."
"His Excellency, the Governor of Virginia, Richmond, Va."
"As to-morrow marks the centenary of ratification of the Treaty of Ghent, which closed the last war between the British Empire and your country, Sir Edmund Walker, chairman of the Canadian Peace Centenary Association, desires to convey to Your Excellency and the people of Virginia an expression of warmest congratulations and wishes for the no dispute will hereafter arise between the British and American peoples incapable of adjustment by friendly agreement."

(Signed) "EDMUND WALKER, Chairman Canadian Peace Centenary Association."

GOVERNOR STUART'S REPLY TO MESSAGE
Governor Stuart sent the following response:

"Richmond, Va., February 17, 1915."
"Sir Edmund Walker, Canadian Peace Centenary Association, Ottawa, Ont."
"The Governor of Virginia acknowledges with much pleasure receipt of telegram from the Canadian Peace Centenary Association, and desires to say that the sentiments of friendship there expressed are cordially reciprocated by the people of Virginia."

(Signed) "H. C. STUART, Governor."

All offices in the Capital and State Library buildings were closed yesterday, and there was practically a total suspension of State business. Only a few employees whose services were necessary to the convenience of the public in State buildings were on duty during the day.

CARS STOP IN HONOR OF GHENT TREATY CENTENARY
The one hundredth anniversary of the signing of the Treaty of Ghent was generally observed in Richmond yesterday. Governor Stuart had issued a special proclamation for the State, and Mayor Amis had proclaimed the occasion a holiday in Richmond.

The public schools and all public offices observed the holiday, while many business houses and all of the churches closed their doors. Promptly at noon yesterday every street car in Richmond and vicinity stopped for five minutes. Whistles were blown, bells were rung.

BOY STABBED IN CHEST
Frank Akers Cut Following Quarrel With Another Boy Over a Game.

Ambulance Surgeon Walker was called to the end of the Hull Street car line early last night to attend to Frank Akers, a sixteen-year-old boy, who had been stabbed in the chest.

The cutting is said to have been done by Irving Ballet, who lives on Lawson Street, following a quarrel over a game which the boys were playing.

Akers was under the care of his family physician when Dr. Walker arrived, but the wound was bleeding so profusely that the surgeons thought it wise to send him to Virginia Hospital for a more exhaustive examination. He is not thought to be dangerously wounded as the knife blade was a small one.

Charged With Speeding.
William Grinnell was yesterday afternoon charged by Policeman Samuels on a charge of speeding his car through the city streets. The man will be arraigned in the Police Court this morning.

Boy or Girl?
Great Question!

This brings to many minds an old and tried family remedy—the external application known as "Mother's Friend."

During the period of expectant motherhood it is applied to the abdominal muscles and is designed to soothe the intricate network of nerves involved.

In this manner it has such a splendid influence as to justify its use in all cases of coming motherhood. It has been generally recommended for years and years and those who have used it speak in highest praise of the immense relief it affords. Particularly do it these known mothers speak of the absence of morning sickness, absence of strain on the ligaments and freedom from those many other distresses usually looked forward to with such concern.

There is no question but what "Mother's Friend" has a marked tendency to relieve the mind and this of itself in addition to the physical relief has given it a very wide popularity among women.

You can obtain "Mother's Friend" at almost any drug store. It has helped a host of mothers to a complete recovery.

It is prepared only by Harold Regulator Co., 301 Lamar Bldg., Atlanta, Ga. Avoid the many worthless substitutes.
